

My Daily Prayer Guide

WORSHIPING—I remind myself how big and great and holy and compassionate and generous You are (*our Father, hallowed be Your name*). As my Heavenly Father, You want to develop an intimate relationship with me.

SURRENDERING—Your will and way is the only way to true life and freedom (*Your kingdom come, Your will be done*). I remind myself that I have all the time and all the power to do everything You want me to do, as I surrender to Your will.

RECEIVING—I understand the kind of loving Heavenly Father You are, and the kinds of things You can do. I trust You with my basic needs and receive *all* that You have to give to me (*Give us this day our daily bread and forgive us ...protect us*).

FOCUSING—I take You up on Your invitation to ask, seek, and knock regarding the next big area You want me to focus on. Help me to learn, do, or receive what You want regarding this area. I take time to listen. I commit at least the next ninety days to give focus time to this area.
